BILLING CODE 6450-01-P

CTM Tech, Inc.; Notice of Intent to Grant Exclusive Patent License

SUMMARY: Notice is hereby given of an intent to grant to CTM Tech Inc., of Florence South Carolina, an exclusive license to practice the invention described in U.S. Patent Application S.N. 843,027, entitled "Method and Device for Disinfecting a Toilet Bowl." The invention is owned by the United States of America, as represented by the Department of Energy (DOE). The proposed license will be exclusive, subject to a license and other rights retained by the U.S. government, and other terms and conditions to be negotiated.

DATES: Written comments or nonexclusive license applications are to be received at the address listed below no later than January 8, 1996.

ADDRESSES: Office of the Assistant General Counsel for Technology Transfer and Intellectual Property, U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, DC 20585.

FOR FURTHER INFORMATION CONTACT:

Robert J. Marchick, Office of the Assistant General Counsel for Technology Transfer and Intellectual Property, U.S. Department of Energy, Forrestal Building, Room 6F-067, 1000 Independence Avenue, S.W., Washington, D.C. 20585; telephone (202) 586-4792.

SUPPLEMENTARY INFORMATION: 35 U.S.C. 209(c) provides the Department with authority to grant exclusive or partially exclusive licenses in Department-owned inventions, where a determination can be made, among other things, that the desired practical application of the invention has not been achieved, or is not likely expeditiously to be achieved, under a nonexclusive license. The statute and implementing regulations (37 C.F.R. 404) require that the necessary determinations be made after public notice and opportunity for filing written objections.

CTM Tech Inc., of Florence, South Carolina, has applied for an exclusive license to practice the invention embodied in U.S. Patent Application S.N. 843,027, and has a plan for commercialization of the invention. A copy of the specification of the patent

application can be obtained from the National Technical Information Service (NTIS), Springfield, Virginia 22152. DOE intends to grant the license, upon a final determination in accordance with 35 U.S.C. 209(c), unless within 60 days of this notice the Assistant General Counsel for Technology Transfer and Intellectual Property, Department of Energy, Washington, D.C. 20585, receives in writing any of the following, together with supporting documents:

(i) A statement from any person setting forth reasons why it would not be in the best interests of the United States to grant the proposed license; or
 (ii) An application for a nonexclusive license to the invention, in which applicant states that he already has brought the invention to practical application or is likely to bring the invention to practical application expeditiously.

The proposed license will be exclusive, subject to a license and other rights retained by the U.S. Government, and subject to a royalty and other terms and conditions to be negotiated. The Department will review all timely written responses to this notice, and will grant the license if, after expiration of the 60-day notice period, and after consideration of written responses to this notice, a determination is made in accordance with 35 U.S.C. 209(c), that the license grant is in the public interest.

Issued in Washington, DC, on November 3, 1995.

Agnes P. Dover,

Deputy General Counsel.
